

Accelerated Math 3

2019-20

Instructor: Ms. Page

dpage@ceres.k12.ca.us

www.MsPagesPagesOfMath.weebly.com

Recommended Supplies

Chromebook
Binder and Paper or Notebook
Scientific Calculator
Pencils
Ruler
Colored Pencils or Pens
Highlighters

Electronic Devices

No use of internet capable devices (phones, smart watches, chrome books, etc.) during class without permission.

Use of such devices on a test day will result in a zero score. This includes while taking a test or after finishing a test.

Semester Class Grade Breakdown

25% Homework
60% Unit Tests
15% Final Exam

A = 90 – 100%
B = 80 – 89.9 %
C = 70 – 79.9 %
D = 60 – 69.9%

First Semester Topics

Rational Functions
Rational Expressions and Equations
Inverse Functions
Radical Functions
Radical Expressions and Equations
Exponential Functions

Second Semester Topics

Logarithmic Functions
Exponential and Logarithmic Equations
Triangle Trigonometry
Unit Circle Trigonometry
Trigonometric Identities and Equations
Graphs of Trigonometric Functions

Additional Help with Lessons and Homework

To receive additional help you must have the notes for reference.

- **Intervention Period**
- **After School** (Check with teacher for availability.)
- **Missed Tests must be made up after school.**

Taking Notes

- Notes should be taken for every lesson.
- **Notes cannot be used on tests or CFAs.**
- If absent, you should make a copy of another student's notes or print them from the website www.MsPagesPagesOfMath.weebly.com. **To receive additional help with lessons, you must have notes for reference.**

Other Expectations and Procedures

- Assignments are due the next school day unless specified otherwise. Late work may be accepted up to the day of the unit test without penalty at the teacher's discretion. No work for a unit will be accepted after the test day unless due to an absence. In this case, the student has the number of days absent, plus one extra day to complete missing work for the absent day(s) only. Any other missing assignments are due by the day of the unit test.
- Tests are designed to be completed in one class period. No extra time will be given outside of class unless an individual education plan allows an accommodation.
- Missed tests due to absences must be made up after school in one sitting. The same amount of time will be given as students who took the test during class.
- Absences must be cleared with the office to receive credit for all make up work. This includes homework and tests.
- Using the bathroom during class (except with a doctor's note) counts as a tardy.
- No hats or other head coverings are to be worn in class.
- Going to the library to get a loaner Chromebook counts as a tardy.
- No extra time will be given on quizzes or tests due to an unexcused tardy. If homework has already been turned in, quietly place it in the wire basket on the corner of my desk before you leave.
